

# Towards INSPIRE International Workshop

Székesfehérvár, 18-19 March 2009 University of West Hungary, Faculty of Geoinformatics

Provision of interoperable datasets to  
open GI to EU communities

## SPONSOR AND EXHIBITOR REGISTRATION

GIS4EU project is pleased to announce you the "Towards INSPIRE - GIS4EU International Workshop", that will be held on 18-19 March, in Székesfehérvár, Hungary.

The workshop is an opportunity to analyse the INSPIRE Directive, as a legislative framework for all European Member States, from the technical point of view and present the major results of some of recent EU projects on this fields.

GIS experts from academia, government, institutions and industry will present their contributions in form of abstracts to be discussed in appropriate sessions for oral presentation at the workshop.

Major focus of the workshop is to give to GIS researchers and technicians working on the same field the opportunity to meet and exchange experiences about international data models.

We would be pleased to make your organisation part of this important workshop as a sponsor or exhibitor. This workshop offers you the unique opportunity to introduce and promote your organisation within the European GIS Community.

You can promote your organisation as a significant provider and expert and you will have the opportunity to demonstrate innovative solutions to your target group.

You can be in direct contact with acknowledged researchers and technicians expert in GIS field coming from all over Europe, with whom you can exchange opinions and useful information about all innovative tools of GIS world.

CORILA will be the responsible for the treatment of these data. In compliance with the limitation of this law, the treatment of personal data by our organisation is organised on the basis of the principles of correct conduct, legality and transparency and protection of the confidentiality and rights of the persons to which the data refer. We provide you with the information as prescribed by article 13 of Decree 196/2003 of the Italian Law and we ask you to express your consent for the processing of the personal data as specified further below. The consent for your personal data is optional; however, if the data turn out to be partial, inexact or inconsistent, your abstract submission could be stopped. The processing of the data collected shall be carried out by means of electronic instruments and/or on hard copy and, in any case, in compliance with the legal provisions in force related to this matter. We inform you that our organisation provides for the necessary organisational, physical and logical measures, in order to guarantee the security of the data, with particular reference to the provisions of annex B to the Pres. Decree 196/2003 of the Italian Law Technical specifications regarding minimum security measures.

All the subjects shall provide for the processing of the data according to Decree 196/2003 of the Italian Law and shall in any case be directly responsible for the processing of the data.

We remind you that you may always exercise towards us your rights foreseen by article 7 of Decree 196/2003 of the Italian Law such as, for example, the updating, correction or cancellation of the data.
